Profile

I launched my own company in 2015 and have 5+ years of experience delivering multimedia projects to high-profile clients including Diageo, Royal Dutch Shell and Major League Baseball. As company director, I have gained firsthand experience of developing a marketing strategy, negotiating contracts, managing budgets and delivering high quality products to tight deadlines.

Professional Experience

- | | |
|---|--|
| Jul 2015 – present
London, United Kingdom | TWIN LDN, Creative Director & Founder <ul style="list-style-type: none">• Launched TWIN LDN, a creative agency specialising in video, animation and graphic design. We also support clients to develop advertising materials and branding.• Clients include: Red Bull, Diageo, Royal Dutch Shell, Major League Baseball, Smirnoff, Tanqueray, Mitchell & Ness, Captain Morgan and Eventbrite.• Delivered graphic design and layout for an environmental proposal that secured 1 million GBP for a major philanthropic organisation. |
| Aug 2016 – Aug 2018
London, United Kingdom | NVS Music Group, Editor & Videographer <ul style="list-style-type: none">• Produced high-impact videos and promotional content for three annual international music festivals: Sunfall, Outlook and Dimensions, raising their profile to achieve sell-out attendance.• Led a six-person team to make a 16-part documentary series filmed in Europe.• Collaborated with David Rodigan, the internationally acclaimed reggae DJ and broadcaster, to produce a documentary that has been viewed over 158 000 times. |
